PERSONAL SUMMARY

A motivated, committed, and talented actor with strong stage instincts and extensive formal training. James is an energetic and positive member of his theatrical community and always engages with team members in a kind and helpful way.

He is committed to achieving a healthy relationship with his castmates and crew, as he firmly believes that a foundation of mutual respect is vital to any great production.

He has high standards for his own performance and is always willing to listen and learn from others. He has a history in devised theatre and theatre for children, as well as more traditional plays and musicals. He is always willing to go the extra mile for a production and will always stay positive in the face of obstacles.
